

Swala Oil and Gas Tanzania Plc

Request for Expressions of Interest

REF: 153 Well Planning and Drilling Management

Swala Oil and Gas Tanzania Plc. invites Expressions of Interest (EOI) from eligible Well Engineering consultancy firms to supply services to guide and support Swala's Well Planning and Drilling Management for our upcoming drilling campaign on the Kilosa – Kilombero Exploration License.

Objective of the EOI

The objective of this Expression of Interest is to shortlist eligible firms capable of providing the services on the above-mentioned license.

Requirements

The firms should demonstrate experience in this particular field with emphasis on the following criteria:

- a) Risk Management and HSE
- b) Well planning
- c) Rig and service contracting
- d) Project Reporting
- e) Project Personnel
- f) Expected Outputs
- g) List related consultancy services carried out in the last ten years, description of the services, status, Client names and contacts.

Based upon the Expressions of Interest Swala Oil and Gas Tanzania Plc. will issue an Invitation to Tender to the eligible candidates.

Submit EOI proposals with the above REF number and title prior to 12:00 January 7, 2019 by email to:
